A large grid of characters arranged in approximately 40 rows and 40 columns. The characters are primarily 't's, but they are colored in various shades of pink, blue, and orange. The colors are organized into several distinct horizontal bands across the grid. The top band consists of pink 't's. Below this is a band of blue 't's. A wider band follows, containing both pink and blue 't's. This pattern repeats several times, creating a rhythmic visual effect. The colors transition smoothly between adjacent cells, suggesting a digital or printed texture.
