A	= 3 pa fech. juntos
V	= 3 pa no mesmo ponto
B	= 4 pa no mesmo ponto

*Continuar a sequência do lado esquerdo da mesma maneira que o lado direito

The diagram shows a complex waveform at the top, which is decomposed into a sum of simpler components. The components include a series of vertical lines (representing a pulse train) and a series of horizontal lines (representing a ramp or sawtooth wave). The decomposition is shown as a sum of these components, with plus signs indicating the addition of each part to the total waveform.

- = ponto baixíssimo
- = corrente
- ⊕ = ponto baixo
- ⊥ = ponto alto
- ⌋ = 4 pa no mesmo ponto
- ⌋ = picô

i = corrente

⏏ = ponto alto

 = 4 pa no mes
